in Design Studies at
ARCH College Campus, Jaipur

About Summer School

Welcome to the Summer School in Design Studies!

In this program, we aim to introduce school students to the world of design and provide them with a comprehensive understanding of what it means to pursue a career in design. Throughout the program, students will explore design education, life in a design school, career opportunities, and the attributes required to be a good designer.

Program Highlights

Life in a Creative Environment

Design schools offer a unique learning environment that fosters creativity, innovation, and collaboration. In this program, students will learn about what it's like to study in a design school, including the types of classes and projects they can expect, the resources available to them, and the extracurricular activities they can participate in.

Explore your Future with Design Education

Design is a dynamic and growing field that offers a wide range of career opportunities. In this program, students will learn about the various design careers available.

Develop New Skills & Interests

Design is a field that requires individuals to be passionate about their work. It is important for students to explore their personal interests and capabilities to find the right design career path.

Explore Jaipur the Pink City

Students will get to explore the highlights of Jaipur – the Pink City, known for its rich history, cultural diversity, and modern landmarks. Jaipur has been declared as the World Heritage Site and World Craft City by UNESCO. Jaipur is home to many beautiful palaces, forts, and temples, such as the Hawa Mahal, City Palace, Amber Fort, and Jantar Mantar. The city is also famous for its handicrafts, textiles, and jewellery, which are sold in the bustling bazaars of the Old City. With its fascinating blend of tradition and modernity, Jaipur has Industrial parks, IT Hub and Malls.

The background is a vibrant, abstract composition of various geometric and organic shapes. It includes a large orange semi-circle, a yellow semi-circle with a small teal dot, a light blue curved band, and a purple shape with an orange circle. In the upper right, there are stylized purple and dark green triangles, a green plant-like element, and a red watermelon slice. A red silhouette of a person is partially visible on the right side.

Earn a DesignAbility Certificate

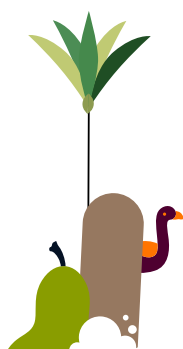

Students will receive DesignAbility Certification at the end of programme which will help you in your University Application for Higher Studies.

Who Should Attend?

Students studying in Class 9-12th
