# GRAPHIC DESIGN

Integrating graphic design amplifies learner's efficacy, enhancing branding, typography, photography, animation, and UI/UX design skills. It empowers cohesive storytelling and engagement across digital and print mediums. Furthermore, the freelance market for graphic designers is thriving in India, offering flexibility and autonomy to those who prefer to work independently or remotely. Graphic design offers promising career prospects, with ample opportunities for growth, innovation, and success.

## ALUMNI SPEAKS

**Shweta Mahata**  
Alumni Fashion, 2023-24

I have completed a one-year professional course in fashion design at ARCH & my experience with the faculties was amazing. I learned new techniques. I had the opportunity to attend a fashion fest, providing valuable exposure to industry operations, including backstage activities, model walks & styling.

**Sakshi Sharma**  
Student Jewellery, 2023-24

My experience with ARCH College has been very positive. It provides experienced faculty that facilitates effective learning. Moreover, ARCH College not only offers campus training but also helps students gain industrial experience. We visited industries and attended master classes led by industrial experts.

## INDUSTRY SPEAKS

The ARCH Jewellery Design students ideas and work pleasantly surprised us, aiding in filtering through numerous possibilities for our project. Their contributions made our project successful.

**Arun Dhadha,**  
Managing Director, Gem Plaza Pvt Ltd.  
Co-Founder, Gyan Museum

It is great to see the college growing rapidly, imparting education in Interior Design in a creative, stimulating and innovative learning. Students are nurtured with creativity and prepared for the field.

**Ar. Sanjay Kothari,**  
Former Chairperson IIID, Jaipur  
Founder, SK Studios
